

7th Street Closure

June 20, for 4 weeks or more

Dear Neighbors:

CSX expects to temporarily close 7th Street SE at the intersection with Virginia Avenue on June 20. The closure is expected to last for 4 weeks or more. This will allow installation of a temporary bridge deck across the area to be excavated for the first new tunnel.

While the intersection is closed, detour signs will be in place north and south of Virginia Avenue on 7th Street to direct drivers around the closure. A pathway for pedestrians will remain open throughout the period that the street is closed.

On the following pages are illustrations of the roadway configurations during and after the closing. Signs, barrels, barriers and other traffic control measures will be deployed to guide drivers through the area.

CSX urges all drivers to use caution through this intersection and others affected by the Virginia Avenue Tunnel project. CSX appreciates the community's patience while we complete this important work.

Sincerely,
The Virginia Avenue Tunnel Team

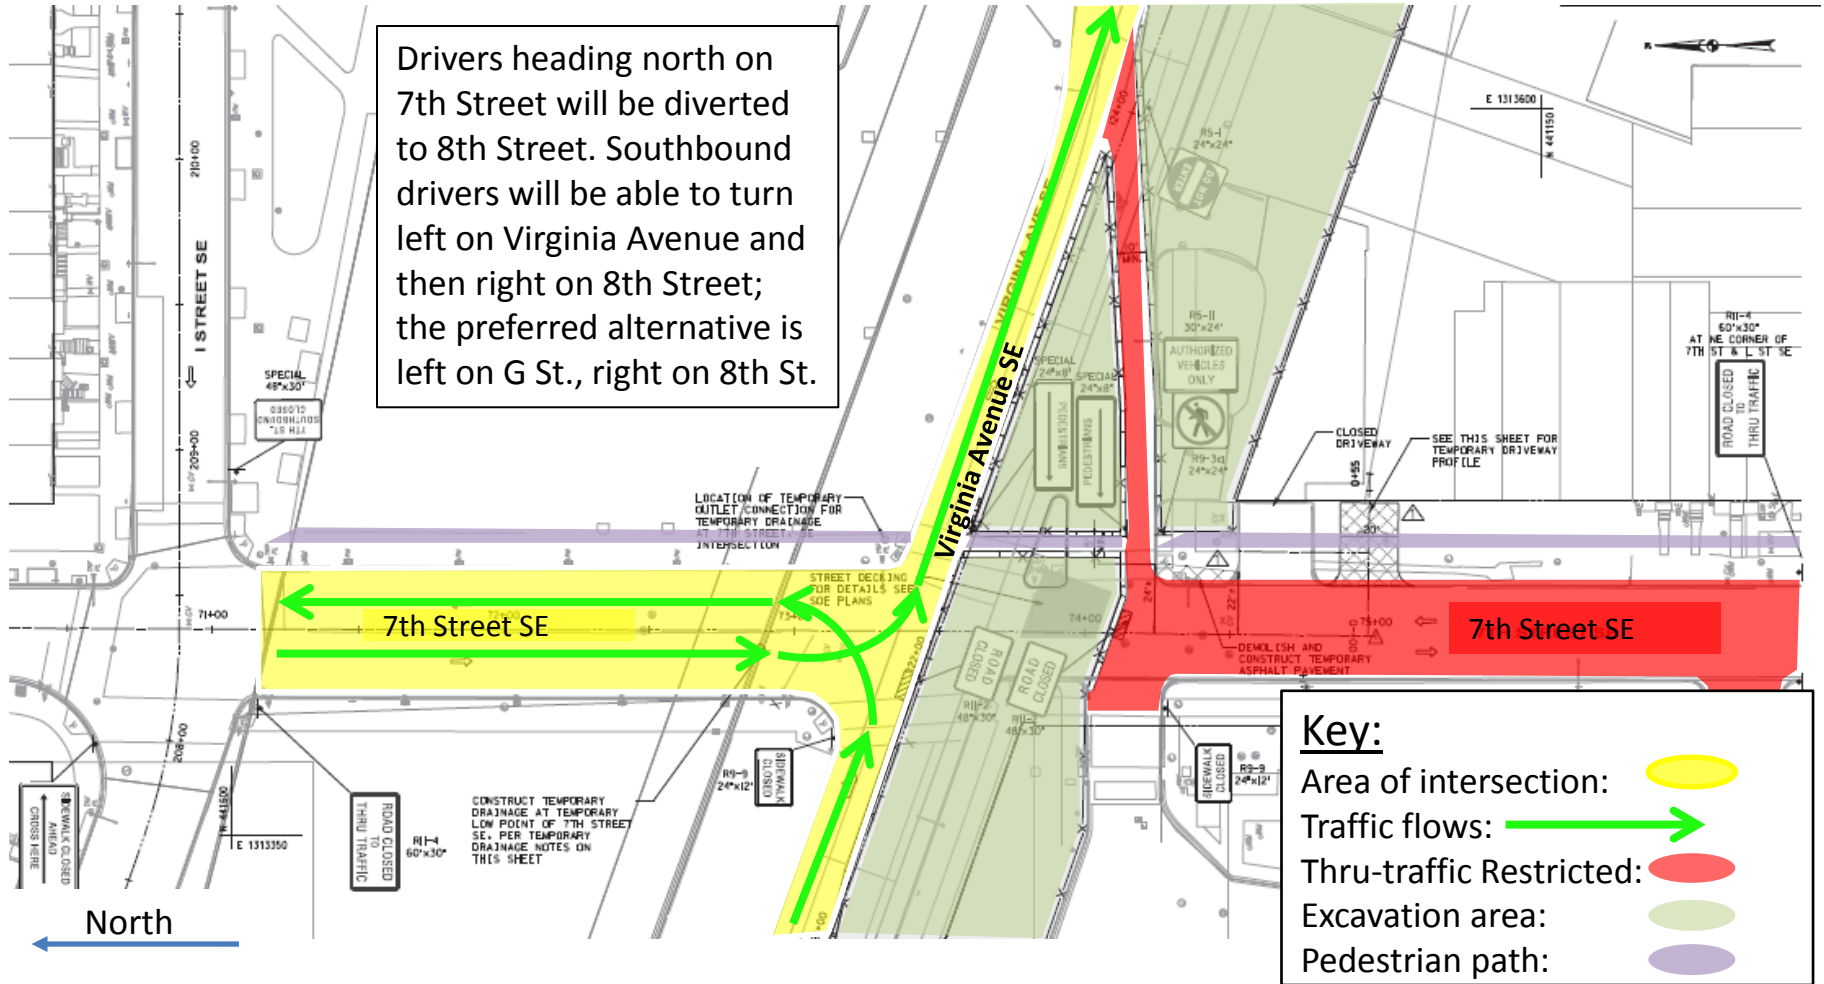

Updated 6/17/16

7th Street Closure

June 20, for 4 weeks or more

Drivers heading north on 7th Street will be diverted to 8th Street. Southbound drivers will be able to turn left on Virginia Avenue and then right on 8th Street; the preferred alternative is left on G St., right on 8th St.

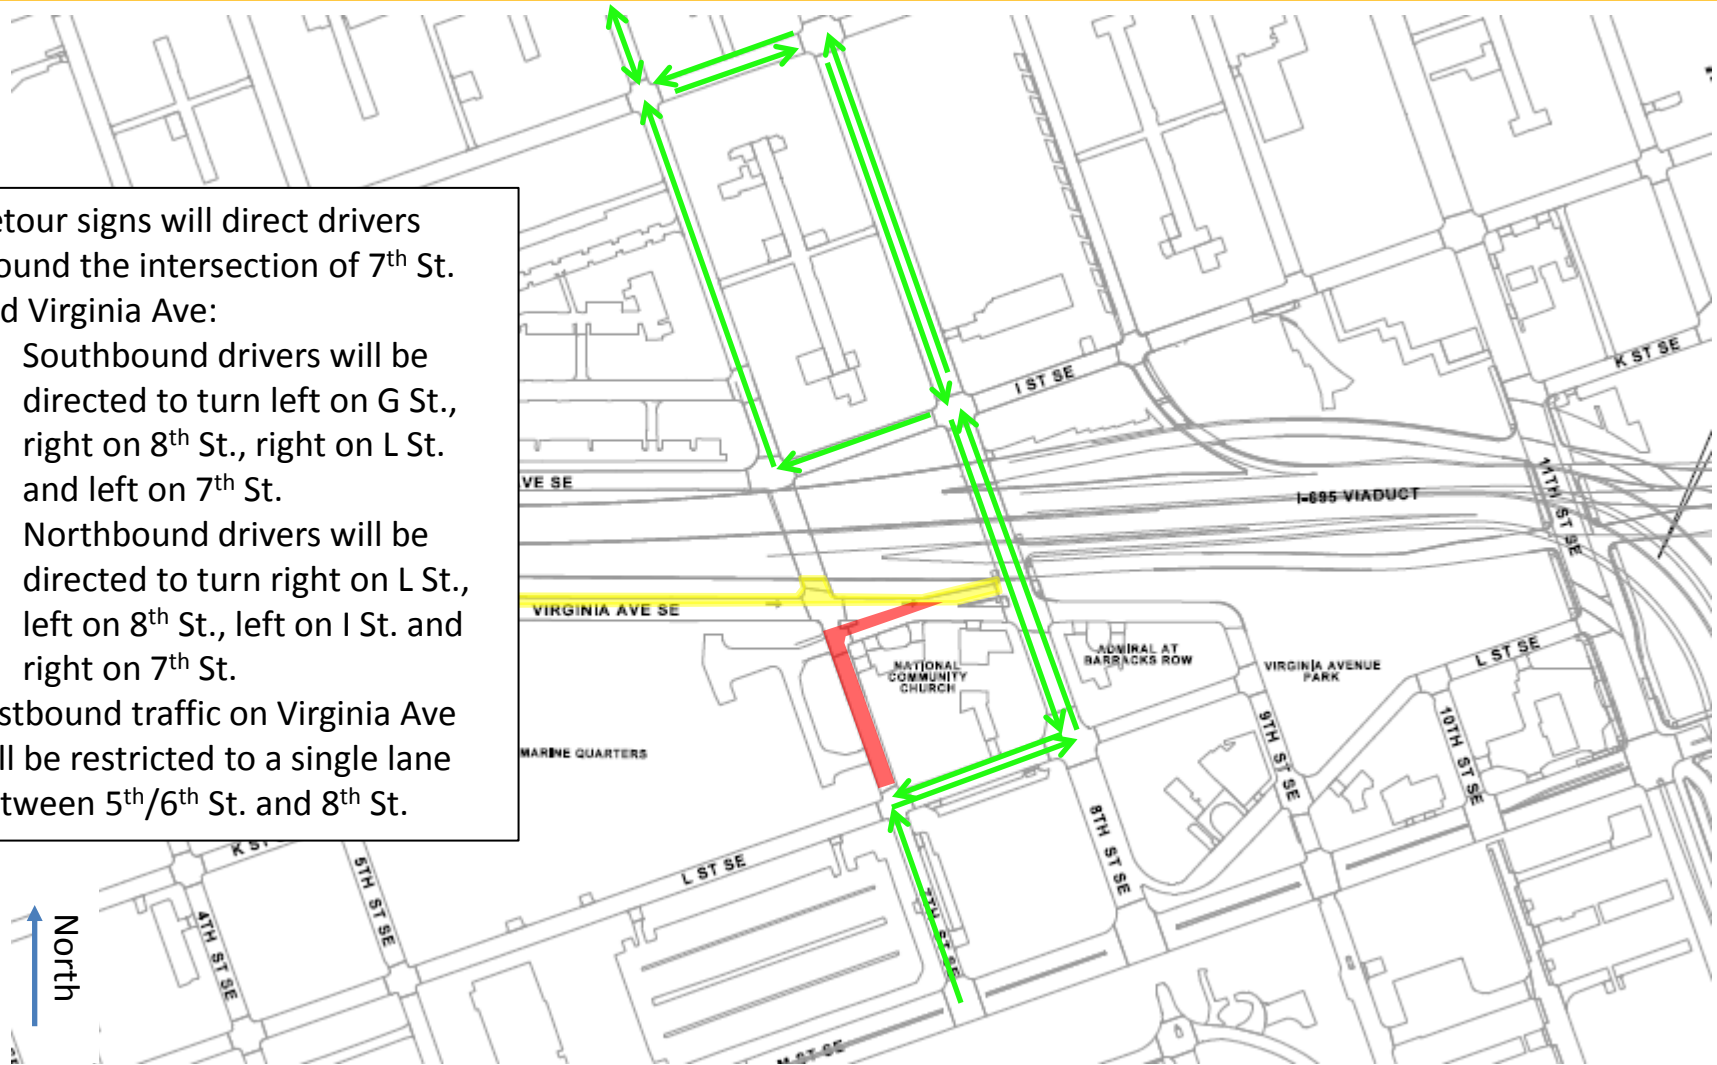

Detour While 7th Street Is Closed

June 20, for 4 weeks or more

Detour signs will direct drivers around the intersection of 7th St. and Virginia Ave:

- Southbound drivers will be directed to turn left on G St., right on 8th St., right on L St. and left on 7th St.
- Northbound drivers will be directed to turn right on L St., left on 8th St., left on I St. and right on 7th St.

Eastbound traffic on Virginia Ave will be restricted to a single lane between 5th/6th St. and 8th St.

7th Street Intersection

From July through December 2016
